Keynote "Sticky Faith"

When the "Pomp and Circumstance" fades, what happens to your students? If you're like most youth ministries, close to half of your graduating seniors pick up their diplomas and ditch their faith. Why is that? For those graduates who remain connected to Jesus, what is it that makes the difference? And how can we be made aware of the ways we may be subtly sabotaging our students' faith, despite our best intentions?

Drawing on research conducted by the Fuller Youth Institute on youth group graduates, we'll explore practical ways to keep students engaged in your ministry, and more importantly their faith, so that they build faith that sticks.

Workshop Topics:

Deep Justice

The Emergent Gap: Generational Difference
Eroding the Church

Beyond Sunday School

Safe Sanctuaries

Faith Formation

Great Games for Groups

And More!
