*Psalms 24:1 NLV, "The earth is the Lord's, and everything in it.*

*The world and all its people belong to him."*

Following Jesus is good for the planet; or should be at least. Together let's explore...Light, Water, Soil, Heavens, Animals, and Man—and be reminded of our God-given commission to tend and protect the planet thru the actions and activities of our everyday lives. By imitating Jesus and following Him wholeheartedly, the church will become the strongest proponent for "saving the planet." And our care, compassion, and joyful generosity will breathe hope into a world longing for redemption.

Join us as we sing, play, dance, pray, learn, see old friends and make some new ones! Make sure to dig up some Green duds for the Emerald City dance.

*Deans: Becky Barbee and Amy Fullerton*
